ADDENDUM TO
A

Chg in % of license fees

Agreement dated April 3, 1970 between LYMAN L. BLACKWELL and STATITROL CORPORATION concerning battery and line powered residential and commercial fire detectors which include a battery failure circuit and signal and/or a duo-centric ion chamber configuration and

AGREEMENT dated April 3, 1970 between the above named parties regarding certain improvements to the self-switching ionization-type detector of products of combustion.

BLACKWELL shall be entitled to receive 20% of all ~~royalties~~ ^{LICENSE FEES} received by STATITROL from any licensing or sub-licensing of any rights in and to these inventions to other companies. However, BLACKWELL shall be entitled to 100% (but in no event shall the sum be less than those set forth in the original agreements mentioned above) of all ~~royalties~~ ^{FEES} from licenses with any legal entity owned, controlled, in whole or in part, or enjoying a specially favored course of dealing with STATITROL.

Should STATITROL sell a component or partial assembly designed to be part of a product of another manufacturer, it shall be assumed that STATITROL'S selling price is not less than \$15 for the purpose of applying the above royalty.

Dated this 2nd day of DECEMBER, 1976
