Dear Paul,

Jochen told me that you would like to take me up on my offer and make a joint visit to our two suppliers in Slovakia and see the plot of land, which is supposed to be bought, if we decide on establishing a small manufacturing plant in Slovakia.

For this purpose, we should meet on 12th May in Vienna. On this day, I could arrive at 19.10 p.m. coming from Duesseldorf with Lufthansa or another Austrian airline.

We could meet in the hotel ASTRON, which is just opposite the airport, and spend the night there or we could drive to Bratislava with a rented car the same evening. On Monday morning, the way from Bratislava to Povazska Bystrica, where the two companies are situated, takes about 2 hours. There is a motorway from Bratislava to just before Povazska Bystrica.

We also could drive on Sunday evening to Povazska Bystrica, but would not arrive in the hotel before 23.00 p.m., however, we would have more time for sleeping in the morning. We should talk about this again when we will meet in Worcester next week.

From Vienna, we would take the return flight to Duesseldorf at 19.55 p.m., arriving in Duesseldorf at 21.30 p.m. At about 23.00 p.m. we could reach the hotel "Zur Mühle".

I would suggest to visit company Vojus, who manufacture complete machines for us with all quality parts being delivered to them, in the morning and in the afternoon company IMC, who produce components for Ihmert and where the plot of land is. Or the other way round, which I will discuss with the proprietor of IMC since he will be in Ihmert on Friday of this week.

For today, I wish you and Philip as well as your families all the best,
