MORGAN CONSTRUCTION CO.
Morgan Construction Company,

Dear Sirs:-

Your favour of August 6th is at hand, reporting that the widow of William Dixon has gone to a lawyer which is no more than we expected. We recommend you to do the same. If you have any counsel in Worcester who enjoys your special confidence, you might retain him; if not, we advise you to go to Messrs. Hopkins, Smith & Hopkins who were our regular counsel in Worcester so long as Mr. W. S. B. Hopkins lived, and though his death was a great loss to his firm and his clients, we think that his partner and successor, Mr. Smith, can handle a case of this sort well. Ask him to investigate the matter fully, take the statements of witnesses, and report his conclusions to us. If any papers are served on you, turn them over to him, at the same time notifying us.

Yours truly,

Russell Gray, Mgr.

Gentlemen:—

At the time of the inquest on the death of Thos. J. Dixon who was killed at our foundry July 31st of this year, there seemed to be no one taking stenographic report of the testimony, and believing that to be desirable for use of your attorneys, we had the testimony taken down and transcribed. We have sent a copy of this testimony to your local attorneys, Messrs. Hopkins, Smith & Hopkins and now enclose to you a bill for $9.00 covering this work.

Yours very truly,
