ANNOUNCEMENT
to
VETERANS

MORGAN
WORCESTER

FORD MOTOR CO.
TRIP
Arrangements are now in process for a five-day trip of the Veteran Employees of the Morgan Construction Co. to the Ford Motor Co. plants in Detroit, Michigan.

Preliminary plans call for the following as a tentative itinerary:

**Friday, Oct. 14, 1927**—Leave Worcester in the evening for Buffalo.

**Saturday, Oct. 15, 1927**—Arrive Buffalo early in morning. Sleeping Cars and Dining Car will be switched immediately to the yards of the Lackawanna Steel Co. Practically the entire day will be spent going through the Steel Plant. It is expected that opportunity will be afforded to those interested to also visit the Plants of the Donner Steel Co. and Wickwire Steel Co.

**Sunday, Oct. 16, 1927**—Our cars will be parked at the Niagara Falls station all day, affording ample time for a complete study of the beauties of the Falls. In the evening the cars will continue on to Detroit.

**Monday, Oct. 17, 1927**—We expect to arrive in Detroit early in the morning. Our cars will be switched immediately to the River Rouge Plant of the Ford Motor Co. where the entire day will be spent.

**Tuesday, Oct. 18, 1927**—During the night we shall have been switched to the Highland Park Plant of the Ford Motor Co. where a greater part of the day will be spent. In the late afternoon we shall leave Detroit for Worcester.

**Wednesday, Oct. 19, 1927**—Arrive Worcester at about noon.

**Cost**—It is estimated that this trip including meals, will cost this company from $100–$120 per participant and it is proposed to ask everyone participating to pay one third of this cost or about 35–40 dollars. This fee includes meals, sleeping accommodations, transportation, tips, etc.—everything except personal expenditures for amusements and incidentals.

If the trip is to be taken as a part of your vacation, you will of course receive regular vacation pay while on it. If, however, you elect to take your full two weeks vacation in addition to the five days consumed by this trip, you will not receive any compensation during the period of the trip.

As a member of the Veterans Association you are cordially invited to participate.

MORGAN CONSTRUCTION CO.
