GPS: Ignorance Is NOT Bliss

Problem

Rural schools in Paraguay do not allocate funding for technology in education

Background

- One Laptop per Child (OLPC) program pre-exists in Paraguay
- Provides laptops in return for monetary donations
- OLPC supplies XO laptops and tablets to countries
- ParaguayEduca works with OLPC for introduction of product
- One laptop costs $220

Method

- Fundraised to collect money
- GHA spread awareness of cause
- Donations by many students
- Cupcakes sold around campus

Results

- We raised $220 to send to Paraguay
- The donation will be delivered December 21st

Solution

To raise funds to send to ParaguayEduca to allow them to fund educational technology in Caacupé, Paraguay.

The XO Laptop provided by the One Laptop Per Child Initiative from donated funds

The X on the map above depicts the location of OLPC impact in Caacupé, Paraguay
