Rockwell Kent Collection

MS 5

Personal Papers

ABSTRACT

This collection is comprised of drawings and articles by Rockwell Kent, illustrations for various publications, articles about him, reviews of his work, exhibit and booksellers' catalogs, lists of his work by his biographer, and two photographs. These materials cover the time period from 1919 to 1982. Also included are six volumes of The Kent Collector.

SCOPE AND CONTENT

The original items in the collection are the two photographic prints and a substantial group of letters written by Rockwell Kent to Louis Untermeyer, from 1933-1958. Most of the letters were written in the 1930s, and they reveal a close friendship with Untermeyer during that time, and describe his life and work. They are sometimes humorous, and give the reader some insight into Kent as a person.

Series I is art and writing of Rockwell Kent, which range from 1919-1962.

Series II is letters from 1933-1977, all written to Louis Untermeyer

Series III has writings and letter about Rockwell Kent and his work, which wange from 1955-1965.

Series IV has catalogs, which were published between 1974-1982.

Series V is a list of Kent's work.

Series VI is a photograph of Kent c. 1933.

Series VII is volumes 1-6 of the Kent Collector.
