A guide to the Josh Brandt video game collection

Worcester Polytechnic Institute
Josh Brandt Video Game Collection

This collection contains over 100 PC games ranging from 1983 to 2002. The games have been kept in good condition and most are contained in the original box or case. The PC games span all genres and are playable on Macintosh, Windows, or both. There are also guides for some of the games, and game-related T-shirts. The collection was donated by Josh Brandt, a former WPI student.
