Finding Aid Report

Video Game Collection

MS 17_00

Game

This collection includes early game systems and games as well as computer games.

Many of these materials were given to the WPI Archives in 2005 and 2006, around the time Gordon Library hosted a Video Game traveling exhibit from Stanford University.

As well as MS 17, which is a general video game collection, there are other game collections in the Archives, with other MS numbers.
