Gentlemen:-

Writer found in our machine shop, the Cutters, handle of which you recently welded. One of our Machinist had just ground the cutting section ready to send to spring room. I reported to MR. PATTERSON what your MR. PHILLIPPS stated, and he says "MR. PHILLIPPS is surely mistaken in regard to doing any work on the cutting section." We return by our MR. DUDLEY, the Cutters in question, which are just as they came from you, except grinding of the cutting section. If you cannot now agree with us, kindly let us know.

Very truly yours,

MORGAN SPRING CO.,
