The attached list defines outstanding recommendations on my Marketing files for internal and external development. I have classified them in the following categories:

- I New Products or Services Related to the Industries We now Serve
- II New Applications of Present Know-How or Related Know-How to any Industries
- III
 - a) New Products Unrelated to Our Present Know-How, Products, Services, or the Industries We now Serve
 - b) Acquisitions

There are individual files in my office on each of the above proposed activities. It is my intent to turn items I, II, and III -a over to John McNaugher, and III -b over to the Boston Consulting Group.
