Results

549 books collected
\$455.85 raised
90.6 pounds of books shipped using USPS M-Bags

Background

In Kenya there are over 1.1 million children orphaned by AIDS¹. Dream Children's Home is an orphanage, started by Rachel and Steven Gichia, that cares for children who are affected by this epidemic³.

Methods/Processes

1. Fundraise at the Campus Center and at local businesses.

2. Collect books from family, friends, and an elementary school.

3. Research shipping methods and ship books to the orphanage.

Enhancing Education

Books provide children with the tool to thrive academically and psychologically. These books may also serve as an outlet from any stress factors. Growing up reading books has a correlation with success in⁵:

- logical thinking skills
- acclamation to new experiences
- concentration and discipline
- communication skills
- speech skills
- competence
- creativity⁷
