Coffey, Jennifer; Doherty, Emily; Murray, Christopher; Tucker, Sydney; and Zamaitis, Tammy, "Wishing for a Well" (2012). Great Problems Seminar Posters (All Posters, All Years). 312. https://digitalcommons.wpi.edu/gps-posters/312

This poster represents the work of WPI first-year students submitted to the faculty as evidence of completion of a course requirement for the Great Problems Seminar (GPS). WPI routinely publishes these posters on its website without editorial or peer review. For more information about the GPS program at WPI, please see https://www.wpi.edu/academics/undergraduate/great-problems-seminar.
Need: To improve reasonable access to water in developing countries.

780 million people lack access to clean water\[^2\]

Goal
Our goal is to raise $1,000 by fundraising within the WPI and Worcester community. The money will be donated to UNICEF to install a pump in Togo, Africa.

Why Togo?
Togo, Africa is listed as the #1 country suffering from water borne diseases that can be prevented with a safe water supply.\[^6\]

Methods
1. Become a non-profit organization.
2. Secure community donations.
3. Order first shipment of wristbands and water bottles.
4. Sell wristbands and water bottles on campus.
5. Donate to UNICEF.
6. UNICEF installs India Mark II pump in Togo, Africa.

Results
We raised $1,218 which was donated directly to UNICEF. A pump will be installed in Togo, Africa. A community of 1,200 people in Togo will soon have reasonable access to safe water.
