ADDENDUM TO

AGREEMENT dated April 3, 1970 between LYMAN L. BLACKWELL and STATITROL CORPORATION concerning battery and line powered residential and commercial fire detectors which include a battery failure circuit and signal and/or a duo-centric ion chamber configuration and

AGREEMENT dated April 3, 1970 between the above named parties regarding certain improvements to the self-switching ionization-type detector of products of combustion.

BLACKWELL shall be entitled to receive 20% of all royalties received by STATITROL from any licensing or sub-licensing of any rights in and to these inventions to other companies. However, BLACKWELL shall be entitled to 100% (but in no event shall the sum be less than those set forth in the original agreements mentioned above) of all royalties from licenses with any legal entity owned, controlled, in whole or in part, or enjoying a specially favored course of dealing with STATITROL.

Should STATITROL sell a component or partial assembly designed to be part of a product of another manufacturer, it shall be assumed that STATITROL'S selling price is not less than $15 for the purpose of applying the above royalty.

Dated this 6th day of DECEMBER, 1976

LYMAN L. BLACKWELL

STATITROL CORPORATION

ATTEST:
