Mr. Paul B. Morgan

City.

Dear Sir:-

Referring to conversation with you this morning in which I mentioned fact that Warren E. Tarbell might be able to make the brick trade attractive to you, have to say I received enclosed letter from him, while at your office this morning, and neglected to hand it to you while there.

Furthermore, I have received, just as this very moment, telephone message in which I told him I had brought matter to your notice and you would be pleased to discuss matter with him Monday morning and he said he would be at your office Monday morning at 9:30 A.M.

Mr. Tarbell is ^dDeputy Sheriff of Worcester County, a man I have known a great many years and in whom I place much confidence, so that I should feel, whatever he told you, in way of trade, could be relied upon. Any courtesy shown him, will be appreciated by

Yours very truly
