## Steve Meretzky Video Game Collection

MS 19

Records

This collection contains PC games donated by Steve Meretzky. The games include those which he designed, and span from 1983 to 1997. Steve Meretzky is an American computer game designer and is best known for creating some of the famous Infocom games in the early 1980's. In September 1999, PC Gamer magazine named Meretzky as one of their twenty-five "Game Gods"; those who have made an indelible mark on the history of computer gaming.
