Dear Sir:- We receive daily, a report like the ones en-
closed, and as we have ^{Seldon} ~~no~~ use for them after looking same over, thought
possibly they might interest you. If so, shall be glad to forward
same.

You will notice on report of June 15th, under Kentucky, that
a new wire rod mill was placed. We presume this party had a request in
some previous report for prices on machinery, under the head of machin-
ery, proposals or supplies wanted.

If you should care for these, we would be glad to have you
keep them on file as once in a while we have occasion to refer to them.

Very truly yours,

Morgan Spring Co. Seldon
