Problem
Rural schools in Paraguay do not allocate funding for technology in education

Background
• One Laptop per Child (OLPC) program pre-exists in Paraguay
• Provides laptops in return for monetary donations
• OLPC supplies XO laptops and tablets to countries
• ParaguayEduca works with OLPC for introduction of product
• One laptop costs $220

Solution
To raise funds to send to ParaguayEduca to allow them to fund educational technology in Caacupé, Paraguay.

Method
• Fundraised to collect money
• GHA spread awareness of cause
• Donations by many students
• Cupcakes sold around campus

Results
• We raised $220 to send to Paraguay
• The donation will be delivered December 21st
